NOTICE OF NON-DISCRIMINATION

It is the official policy of Ascension Leadership Academy at the Presbyterian Home that no person shall, on the grounds of race, color, disability, sex, religion, creed, national origin, or age be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any program, activity, or employment.

II. CODE OF STUDENT CONDUCT

INTRODUCTION

At Ascension Leadership Academy, we believe that instruction should occur in an environment that is conducive to learning. Effective instruction requires good order and discipline.

As students progress in our Academy, it is reasonable to assume that an increase in age and maturity will result in students assuming greater responsibility for their actions. It is recognized that differences in age and maturity require different types of disciplinary action; however, the procedures described for violations of responsibilities shall apply to students in Grades K-8. To assist Academy personnel, parents, and students in maintaining an environment conducive to learning, the Code of Student Conduct is designed to accomplish the following:

- Describe the responsibilities of the Academy personnel, parent(s)/guardian(s), and students.
- Standardize procedures for administering formal disciplinary actions by the Teacher, Director/Principal, or President.
- Identify types of violations and describe alternate procedures for disciplinary actions by the Teacher, Principal, or President.
- Explain due process procedures relative to disciplinary action.
- Explain attendance requirements.

JURISDICTION OF THE BOARD

Students enrolled in Ascension Leadership Academy are subject to the policies of the Presbyterian Home for Children and to the rules and regulations of the school.

This authority applies to all school-sponsored activities including, but not limited to the following:

- Routine functions of the school day
- Transportation relative to school events
- Field trips
- Athletic functions
- Academy-sponsored social events
- School groups representing the Academy in educational and social events

CLASSIFICATION OF VIOLATIONS

Violations of the Code of Student Conduct are grouped into three categories according to the type of misbehavior and subsequent disruption of the learning environment of the student and others. The following steps may be followed by a parent/guardian wishing to appeal an administrative decision relative to discipline. To initiate Due Process:

- The parent/guardian should provide his/her complaint in writing to the administrator involved at each step.
- Confer with the school administrator involved in the initial decision.
- If the decision is perceived to be unduly harsh or unfair, then the parent/guardian may confer with the next level of administration.
- If the teacher made the decision, the Director/Principal would be the next level of administration. If the Director/Principal made the initial decision, the President of the Home would be the next level of administration. Confer with the school Director/Principal, or President as detailed in the first statement.
- If the decision is unfavorable, the parent/guardian may notify the President in writing, within seven days, that they are still in disagreement with the decision. The parent may elect to remove the student from Ascension Leadership Academy, but, the decision of the President is final in the due process procedure.

TARDY AND STUDENT SIGN-IN

The school day begins when the student arrives on campus. Buildings are open at 7:50 a.m. and classes begin at 8:00 a.m. Students should not arrive prior to 7:50 a.m.

Students are expected to be in their first period class on time each day. If the student is late, he/she must be recorded as tardy. Students having frequent tardies must be reported to the Principal. Students must be present by 11:30 a.m. in order to be counted present for the day.

The school day ends at 2:45 p.m. for elementary students and 3:00 p.m. for secondary students. Students should immediately exit their classroom and depart the campus. No student should be on the school campus later than 3:15 p.m. unless they are participating in a scheduled recreational activity or scheduled extracurricular event.

WITHDRAWING STUDENTS

Only a parent or guardian may voluntarily withdraw a student from Ascension Leadership Academy. The Director/Principal or his/her designee must receive twenty-four hours (one day) notice prior to permanent withdrawal of a student. If for any reason, a student is withdrawn prior to the end of the academic year:

Full tuition for the month of withdrawal will be forfeited. A 10% penalty will be assessed on the remainder of the contractual period and must be paid for academic records to be released to another educational agency.

III. Enrollment and Attendance

ENROLLING NEW STUDENTS

Ascension Leadership Academy requires an official birth certificate, official transcript, academic assessment, immunization certificate, social security number and card, and, when appropriate, proof of guardianship before a child will be admitted to school. Enrollment must be complete before a student will be admitted to class.

NOTICE OF LEGAL RESPONSIBILITY

Alabama law requires all children between the ages of seven and sixteen to attend school. The law further provides that a parent, guardian, or other person having control or charge of a school-age child is responsible for that child's regular attendance and proper conduct.

Parental responsibilities required in Section 16-28-12 of the Code of Alabama, 1975, are as follows:

"To enroll their child" – Every child between the ages of seven and sixteen years shall be required to attend school.

"To regularly attend school" - Attendance requirements will be followed to ensure regular attendance.

"To compel the child to properly conduct himself/herself in accordance with written policies on school behavior" - A parent may be referred to the District Attorney's Office on a student's first suspension if, in the opinion of the Director/Principal, the offense committed by the student warrants such action.

Student responsibilities:

- The *Code of Student Conduct* and related behavior and discipline policies adopted by the Board will serve as guidelines for determining inappropriate behavior.
- Attend school regularly
- Abide by *The Code of Student Conduct* and related behavior and discipline policies as adopted by the Board
- Understand that inappropriate student conduct or behavior may result in suspension from school
- Be aware that suspensions will be reported to the President, and, if applicable, to the District Attorney.

RESPONSIBILITY FOR EXPLANATION OF ABSENCES

In all absences which occur without prior permission of the Principal, the parent or guardian is responsible for providing a written explanation of the absence to be presented by the child upon his/her return to school. Failure of the parent or guardian to furnish a satisfactory explanation shall result in the child being considered a truant with the knowledge of the parent or guardian.

A parent-written excuse shall be accepted for no more than five absences per semester. Any absence in excess of five per semester will require a written excuse from either:

- a. physician, dentist, etc., or
- b. district or circuit court, or

c. special permission of the Director/Principal

If a student accumulates ten excused absences during a semester, his/her parents will be required to attend a mandatory meeting with the Director/Principal or his/her designee.

EXCUSED ABSENCES

Absences are **excused** for the following reasons:

- Illness
- Death in the immediate family
- Inclement weather which would be dangerous to the life and health of the child as determined by the Director/Principal and/or President
- Legal quarantine
- Emergency conditions as determined by the Director/Principal and/or President
- Prior permission of the Director/Principal with the consent of the parent or legal guardian (includes out-of-town trips, etc.)

Special Trips

Students who miss school due to a special trip will be coded unexcused unless parents have received prior permission from the Director/Principal. Only emergencies and/or educational trips will be considered.

WHEN NOT TO ATTEND

Children are likely to contract minor illnesses, but, a child should not miss any more school than necessary. Guidelines for determining if a child is considered too ill to attend school are as follows:

FEVER – If the child has a fever of 100°F or above, he/she should not attend school until he/she is free of fever for 24 hours.

VOMITING – It is recommended that the child not attend school if he/she has vomited within the last 12 hours.

DIARRHEA – The child should not attend school if he/she has had diarrhea in the last 12 hours.

CONTAGIOUS CONDITIONS – The child will not be allowed to attend school until written permission to has been obtained from a physician or when it is evident that the condition no longer exists.

MAKE-UP WORK FOR EXCUSED ABSENCES

School work and/or examinations missed due to excused absences may be made up and a grade shall be awarded in accordance with school policy. The student is responsible for contacting the appropriate teacher(s) within three days to arrange a schedule and/or deadline for make-up work or examinations. Teachers will not be required to reteach lessons, but students will be given a reasonable opportunity to learn lessons missed.

In case of prolonged absence, parents may request that online assignments be completed at home. Parents should contact the teacher, as early as possible, to request assignments be opened for completion at home.

UNEXCUSED ABSENCES

If any student excessively fails to attend school without a legal excuse, that student and the person having custody of that child may be referred to juvenile court.

Absences are **unexcused** for the following reasons:

- Out-of-School suspensions
- Failure by the students and parents to receive permission from the Director/Principal prior to absences due to special trips
- Early departures by students for weekend trips
- Late arrivals by students from weekend trips
- Early departures prior to extended holidays
- Expulsion from school

MAKE-UP WORK FOR UNEXCUSED ABSENCES

Teachers are not required to provide make-up work or examinations for students with unexcused absences. A grade of “zero” shall be awarded for school work missed (to include online assignments) due to unexcused absences. Excessive zeroes shall result in failure of a subject or grade.

STUDENT CHECK-OUT PROCESS

If a student must check-out of school prior to the normal dismissal time, a written request addressed to the Director/Principal or Teacher must be made by the parent/guardian of the student stating the time and reason for the student’s early dismissal. The student must be checked-out through the school office by the parent/guardian or other authorized person. Students who check-out before 11:30 a.m. will be considered absent for the day.

IV. STUDENT TRANSPORTATION

DESIGNATED VEHICLE PARKING AREA

The designated arrival and departure area for students being transported to and from Ascension Leadership Academy is the walkway beside the main Hill Street entrance.

- Upon arrival students should report immediately to their first period class.
- Persons transporting students to and from school should remain in their vehicles. Please do not leave your vehicle in order to deliver or retrieve a student.
- If it is necessary to retrieve a student earlier than the scheduled dismissal time, the transporter should arrive prior to 2:30 p.m. and report to the office or to the designated teacher responsible for dismissal.
- All students departing, for any reason, prior to the scheduled dismissal time must be checked-out through the office or by the designated teacher responsible for dismissal.

PARKING AUTHORIZATION

All vehicles used in transporting students or parked on school property are subject to search if there is reasonable belief that they contain weapons, illegal drugs, alcoholic beverages, and/or any controlled substance or material which would be a violation or evidence of a violation of federal or state law, of Board policy, or of the school's fair and reasonable regulations.

OTHER MODES OF TRAVEL

With parental permission, students living within a reasonable distance of the campus may walk or ride bicycles to and from school. For the students' safety, walkers and bicycle riders will be dismissed prior to or after the vehicle riders depart.

V. ACCEPTABLE USE FOR TECHNOLOGY RESOURCES

PURPOSE

The purpose of the technology policy is to provide standardized guidance on the acceptable use of computers, networks, the Internet, electronic mail, and related telecommunications equipment accessible by users at all Presbyterian Home (PHFC) facilities. Ascension Leadership Academy (the Academy) is committed to ensure strict compliance of the PHFC technology policies.

GENERAL

Technology resources are an important part of our school, and may enhance the educational experience for our students and assist employees in performance of the day-to-day operations of the school. Employees of the Academy (faculty and staff) may be allowed to use the school system's electronic mail system. Students may also be allowed access to the Academy's electronic mail system, but only upon approval by the Director/Principal or his/her designee. The use of computers, networks, the Internet, and electronic mail is a **privilege** that is granted to Users. Failure to use technology resources in an appropriate manner will subject Users to appropriate disciplinary action. In addition to any disciplinary action, which may be imposed for violation of this policy, a User may also have their access to the Academy's technology resources suspended or revoked.

USER DEFINITION

The term User refers to any person (i.e., student, resident, teacher, employee, parent, etc.) who uses the technology resources and equipment at any PHFC facility. The Academy has purchased or provided technology resources (i.e., computers, networks, the Internet, electronic mail, software, etc.) for the following purposes:

- To provide our students, faculty, and staff the resources to achieve program related goals and objectives
- To provide a communication link between the Academy and the community
- To perform functions related to conducting business by the Academy

STUDENT ACCESS

It is the policy of Ascension Leadership Academy that students will be allowed to access the Internet or use electronic mail (if requested by a teacher) **only after** receiving the written approval of their parent or legal guardian. The Internet is a very powerful information tool that provides tremendous educational opportunities; however, it also can provide information that is considered inappropriate for a K-8

educational environment. While we require students to adhere to the standards contained in this policy, parents and guardians are ultimately responsible for setting and conveying the standards that their children should follow when using media and information sources, including the Internet. We support and respect each family's right to decide whether or not to allow their child access to the Internet and electronic mail. Students may not access the Internet unless a teacher or school employee is present. Students and parents must agree to abide by this acceptable use policy before they will be allowed to access the Academy's technology resources. Failure to use the Academy's technology resources in an appropriate manner will subject the student to appropriate disciplinary action as prescribed by the Code of Student Conduct. In addition to established punishments under the Code of Student Conduct, a student may also have his or her computer, network, Internet, and electronic mail privileges suspended or revoked.

USER ACCESS

In conjunction with their job duties and responsibilities, Academy employees are allowed access to technology resources and will supervise students using technology resources. Each employee shall maintain responsibility for the technology resources under his or her supervision and control. Each User, including each employee, must agree to abide by this acceptable use policy before accessing any technology resources at the Academy. Failure to use our technology resources in an appropriate manner as prescribed by Board policy, Federal, state, and local law, will subject the User to appropriate disciplinary action up to and including termination. In addition, the Academy may suspend or terminate access to its technology resources at its sole discretion.

BOARD LIMITATION OF LIABILITY

Ascension Leadership Academy at the Presbyterian Home makes no warranties of any kind, either expressed or implied, that the functions or the services provided by the school system will be error-free or without defect. We will not be responsible for any damage Users may suffer, including but not limited to loss of data or interruption of service. We are not responsible for the accuracy or quality of information obtained through or stored on the equipment. All communications and information stored on computers owned by the Academy shall be considered the property of the Academy and may be retrieved, monitored, deleted, destroyed, modified, or used by the Academy for any purpose at its sole discretion. The Academy will not be responsible for financial obligations or any other damages incurred through the use of its technology resources.

COPYRIGHT AND PLAGIARISM

Existing copyright law will be followed in using materials accessed through the Internet. Teachers will instruct students to respect copyrights and to request permission to use materials when appropriate. As in copyright infringement, plagiarism is not acceptable. Teachers will instruct students in appropriate research and citation practices.

Inappropriate Internet Sites

- In general, visiting or accessing an inappropriate Internet site is equivalent to bringing the same inappropriate material to school in the form of a book, magazine, videotape, audiotape, or other media, and is subject to the same disciplinary actions as listed in the Code of Student Conduct.
- Obtaining access to or visiting said inappropriate sites will subject students to the same disciplinary action as bringing the materials to school or on Academy property. Similarly, any employee or other User who accesses or visits inappropriate sites will be subject to appropriate disciplinary action up to and including termination.
- Inappropriate Internet sites are sites that a reasonable person would conclude are inappropriate for a school environment. Specific examples include:
 - Sites that advocate or give instruction on how to break the law.
 - Sites that provide information or pictures that are lewd, obscene, vulgar, rude, inflammatory, threatening, or use of profane or disrespectful language.

VIII. GRADING AND GRADE REPORTING

INSTRUCTIONAL OBJECTIVES

At Ascension Leadership Academy, instructional objectives are based on the *Alabama Courses of Study*. The *Alabama Courses of Study* are available for review in the school office.

Content standards in each subject area document define what students should know and be able to demonstrate at the conclusion of a course or grade. Content standards contain the minimum required content. The instructional program at Ascension Leadership Academy is inclusive of, but not limited to, this content. Our instructional program takes every opportunity to expand and enrich this essential curriculum.

HONOR CODE

Cheating, on any assignment or test, will automatically result in an irrevocable grade of zero for all parties involved.

HOMEWORK

Homework will be assigned to students on an individual and/or group basis. Please encourage your child to accept the responsibility for timely completion of assignments.

GRADING PERIODS

Ascension Leadership Academy issues grades based on a nine-week grading period. Student progress reports are issued midway between each nine-week period. Each grading period may vary slightly due to scheduling factors. Refer to the school calendar for the exact dates these reports will be sent home.

GRADING SCALE

The following academic grading scale shall apply for all students in grades K through 8. A grade scale

based upon 100% will be used in determining student grades.

A -----	90-100
B -----	80-89
C -----	70-79
D -----	60-69
F -----	Below 60 (not passing)

At Ascension Leadership Academy grades K through 8, the total grade for each term will be calculated on the average of the 1st and 2nd nine-weeks for the 1st semester average and on the 4th and 5th nine-weeks for the 2nd semester average. When given, nine-weeks and semester exams will be included and averaged with the other grades achieved within the applicable grading period to determine the final grade for the subject.

The passing mark in all subjects is 60%. Students in grades K-8 will earn ½-credit per semester for classes that are passed.

REPORT CARDS

Report cards are issued and sent home with students at the end of each nine-week period. A mid-term report will be sent home approximately half-way through the grading period. Parents are requested to sign the reports after they have examined them and return them to the school.

- If a conference is desired, appointments may be requested via a note or phone call to the Director or Teacher.
- If a report card or mid-term report is lost, the parent/guardian must send a note verifying knowledge of the lost document.
- Warnings of impending failure are issued to students who are in jeopardy of failing an academic subject and not earning the required credit for promotion.

PROMOTION AND RETENTION

Decisions relevant to promotion into the next grade level will be based upon the student's verifiable performance. Students in grades K through 8 who fail to achieve a final semester passing grade average for a full unit-course or half unit-course must repeat the course work on a semester-by-semester basis and earn a passing grade average or demonstrate mastery of content through an approved credit recovery program.

PARENT-TEACHER CONFERENCES

Parent conferences are a vital part of the total learning process. All teachers are available for parent conferences. Parents should call the Director/Principal or Teacher at 256.268.8856 to schedule a conference.

Appointments should be requested at least twenty-four hours (one day) in advance. Instructional time will not be used for parent conferences. When possible, conferences will be scheduled during the teacher's planning period.

SCHOLASTIC ACHIEVEMENT AWARD

All grades on the report card are to be considered in acknowledging students for scholastic achievement or Honor Roll.

- To be placed on the “A” Honor Roll, a student must receive an “A” in all subjects within the grading period.
- For the “A-B” Honor Roll, a student must receive no grade lower than a “B” in all subjects within the grading period.

IX. SCHOOL HOURS

STUDENT HOURS

In the morning, teachers are extremely busy getting the students settled and making sure everyone is on task. Due to the responsibilities of the teachers’ assignments, it is important that parents remember to arrive at the designated arrival and departure area with sufficient time to enable the student to be in their designated class on time.

- The buildings will be opened at 7:50 a.m.
- Classes begin promptly at 8:00 a.m.
- Upon arrival at school, all students should go directly to their classrooms or to an area designated by their teacher.
- Students are considered tardy after 8:05 a.m.
- Follow the process described under the PARENT-TEACHER CONFERENCES section or send a note by your child if you need to discuss an issue with teachers.
- School will normally dismiss at 2:45 p.m. for elementary students and 3:00 p.m. for secondary students, Monday through Friday.

Due to safety concerns, students must not arrive on campus before 7:50 a.m. or remain on campus after 3:15 p.m. Exceptions to the school hours may occur for school sponsored trips or extra-curricular school sponsored activities. SEVERE WEATHER - SCHOOL CLOSING

In the event of severe weather during the school day, the decision to dismiss or not to dismiss school will be made by the Director/Principal. Severe weather decisions prior to the school day beginning will follow the decisions made by Talladega City Schools, Talladega County Schools, and Calhoun County Schools. Ascension Leadership Academy will close for severe weather when either of the Talladega City or Talladega County districts close and Ascension may close when the Calhoun County School district closes.

EMERGENCY DRILLS

Drills for evacuation due to emergency will be held monthly. Other emergency drills will be conducted as

needed throughout the school year. Each homeroom teacher will explain the procedure to the students. **Students will not be allowed to leave school or to check out during an emergency procedure or drill. Parents removing students contrary to our recommendation are doing so against our guidelines; therefore, their actions are releasing Ascension Leadership Academy and The Presbyterian Home from all liability.**

LOST AND FOUND

All items found on campus should be turned into the office. For easy identification, we suggest that the student's name be written inside coats, clothing, and book bags.

PERSONAL DELIVERIES TO SCHOOL

Ascension Leadership Academy personnel will not accept personal gifts, birthday gifts, balloons, etc. for students. This policy includes deliveries from parents. All gifts given to students should remain at home.

CELL PHONES / TOYS / OTHER ELECTRONIC DEVICES*

In order to ensure an effective learning environment, students should leave toys, cards, and electronic devices at home. This includes, but, is not limited to:

- CD Players/MP3 Players/iPods

Teachers will notify parents/guardians of any exceptions to this procedure such as field trips, special events, etc. Otherwise, the Code of Student Conduct will be strictly enforced.

Note :

Any student bringing a cell phone or any other type of communication device, toy, or other electronic device to school does so under the *holds harmless* clause. Ascension Leadership Academy nor the Presbyterian Home for Children will be held responsible for loss, damage, or theft of any personal device brought to the school or to any school trip or function.

- All authorized calls during class will be monitored by school personnel.
- Under no circumstances will a student receive permission to send or answer unauthorized calls, to include text messaging, during class.
- No student will be authorized to allow another student usage of or access to their cell phone or other electronic communication device.
- The Director/Principal will stipulate strict guidelines that must be followed relative to each student's cell phone usage based on the student's individual situation.
- Failure to follow guidelines for usage will subject the student to disciplinary action, and may result in suspension or termination of cell phone or communication device access during school hours.
- Failure to follow guidelines for permission and/or use may result in confiscation of the item and require the parent/guardian, residential social worker, or houseparent to retrieve the item from the school office.

***Violation of this policy will be deemed a Class II or Class III Disciplinary Action.**

FEES AND DONATIONS

Fees are not assessed. Donations are appreciated and may be made to support school programs.

NOTICE OF RIGHTS UNDER FERPA

The *Family Educational Rights and Privacy Act* (FERPA) affords parents and students over 18 years of age (“eligible students”) certain rights with respect to the student’s education records. These rights are:

- The right to inspect and review the student’s education records within 45 days of the day the school receives a request for access. Parents or eligible students should submit to the Director/Principal a written request that identifies the record(s) they wish to inspect. The Director/Principal will make arrangements for access and notify the parent or eligible student of the time and place where the records may be inspected.
- The right to request the amendment of the student’s education records that the parent or eligible student believes are inaccurate. Parents or eligible students may ask the Director/Principal to amend a record that they believe is inaccurate. They should write the Director/Principal, clearly identify the part of the record that they want changed, and specify why it is inaccurate. If the Director/Principal decides not to amend the record as requested by the parent or eligible student, he or she will notify the parent or eligible student of the decision and advise them of their right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the parent or eligible student when notified of the right to a hearing.
- The right to consent to disclosures of personally identifiable information contained in the student’s education records, except to the extent that FERPA authorizes disclosure without consent.

- A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibility.
- Upon request, the Director/Principal or his/her designee will disclose education records without consent to officials of another school district in which a student seeks or intends to enroll.

Questions regarding FERPA should be referred to the Ascension Leadership Academy Director/Principal.

NOTICE OF AHERA INSPECTIONS

On October 22, 1986, President Ronald Reagan signed into law the *Asbestos Hazard Emergency Response Act (AHERA)*. This law requires all local education agencies throughout the country, public and private, to inspect their buildings for asbestos-containing building materials (**ACBM's**) and to take appropriate response actions if necessary to control the release of asbestos fibers into the environment. In compliance with this law, our school has been inspected and an accredited engineering firm has developed special "Management Plan" reports. Each management plan describes the results of its corresponding school inspection along with recommended response actions in the event of ACBM identification. A copy of the Management Plan for Ascension Leadership Academy is available for review in the President's office during normal office hours. Questions regarding this plan may be directed to the Maintenance Director's office.
